REMARKS

The claims 46-125 previously pending have been replaced with new claims 126-205.

New claims 126-205 are presented in response to an Advisory Action mailed October 15,

2004 and seek to broaden the scope of claim coverage by eliminating the term "bandwidth"

and substituting the term "data" to better comply with the literal language of the original

specification, as requested by the Examiner.

The Advisory Action requested that Applicant provide an interview summary in

addition to the Examiner's statement from the telephone conference held on October 12,

2004. Accordingly, Applicant's Interview Summary was filed on November 15, 2004, as

requested.

In light of the above amendments and remarks, claims 126-205 are now all believed

to be in condition for allowance. Accordingly, reconsideration and allowance of these claims

is respectfully requested.

Respectfully submitted,
